Scuba Marine Educator Summer Position

Overview

The Scuba Marine Educator for Sea Turtle Camp must be a multi-talented individual with a strong desire to develop and provide marine science instruction. Our program attracts academically strong teen applicants that complete an application process to attend. This position requires the candidate to work as part of a team to inspire, instruct, and provide care to a group of 15 students pursuing their PADI Scuba Certification. Applicant must have a passion for marine stewardship, teaching, and inspiring youth. Teamwork and dedication are important, and the applicant must provide feedback to all Sea Turtle Camp staff and volunteers at the Karen Beasley Sea Turtle Hospital. Candidates will work closely with the Unit Leader, Site Director, Operations Director, Founder, and the entire WB Surf Camp & Sea Turtle Camp team.

The Scuba Marine Educator will be responsible for daily instruction, facilitation of a variety of evening programs, logistical support and daily van driving responsibilities. Logistics are a key element of our overnight camps and include equipment management and maintenance, evening program set-up and break-down, and other duties as assigned. This position will also assist with coordination of arrival and departure of campers. Last but not least, the Marine Educator must ensure that all staff and campers stay safe while having an awesome and life-enriching experience. This position reports to the Unit Leader.

Skills & Requirements

Minimum Qualifications

- ❖ BA or BS in marine biology, environmental science/education related field (or working on)
- ❖ At least 21 years of age
- ❖ Must be in excellent physical condition
- ❖ Current certifications: Lifeguarding, CPR and First Aid
- ❖ Experience in marine science, environmental education, summer camps or related field
- ❖ Must be able to attend mandatory staff training
- ❖ Willing to work long hours while maintaining energy and stamina
- ❖ Strong communication, decision making, logistical, and organizational skills
- ❖ No conflicting summer commitments including travel, work, or other leave of absence
- ❖ Able to pass a government background check
- ❖ Clean driving record

Desired Skills

- ❖ Master's in marine biology, environmental science, education or related field
- ❖ Wilderness First Aid Certification
- ❖ Familiarity with southeastern marine ecosystems and organisms
- ❖ Environmental education certification or teaching credential
- ❖ Ability to accept and give feedback
- ❖ Scuba Certifications

Responsibilities and Duties

During the summer months, we operate overnight marine biology camps for youth varying in length from 6 days up to 2 weeks. Working in collaboration with two other Sea Turtle Camp staff members, you will provide 24-hour supervision for campers both in the bunk rooms and in the field. Activities primarily take place on Topsail Island.

Individual must maintain a strong skill set in the following areas: lesson development, organization, punctuality, problem solving, as well as have a solid attention to detail. These skills are crucial in order for you to provide the best possible experience for each camper. Programs do require work on weekends and holidays, though there is some time off between camps to recharge.

Staff responsibilities are listed below but may not be limited to this list:

- ❖ Provide consistent support to the Unit Leader and Site Director by handling tasks and duties, aiding in delegating duties to staff, and focusing on campers' safety and schedule
- ❖ Assist with daily camp setup and breakdown responsibilities with your team
- ❖ Organize, supervise and participate in all camp activities
- ❖ Develop and implement program curriculum
- ❖ Present and direct educational activities on topics such as:
 - Sea turtles
 - Invertebrate zoology
 - Barrier island ecology
 - Functionality of salt marsh
 - Coastal geology
 - Fish identification
 - Dissections
- ❖ Facilitate sunrise/sunset nest walks with patrol groups
- ❖ Maintain professional, open communication with SCUBA company staff and interns and volunteers at Karen Beasley Sea Turtle Hospital
- ❖ Attend all scheduled staff meetings with Unit Leader, Site Director and/or Program Coordinator
- ❖ Participate in daily team meetings to go over any camper issues, logistics and schedule
- ❖ Perform all pre-session tasks, including but not limited to: reading camp binder, delegating responsibilities, and ensuring all supplies are prepared and accessible
- ❖ Perform all post-session tasks, including but not limited to: camp clean-up and inventory of supplies
- ❖ Mentor counselors on marine science topics; provide observation and feedback of co-workers marine science lessons
- ❖ Provide proper behavior management of campers. Handle camper discipline issues and emergency situations that may arise.
- ❖ Put camper needs before your own; get to know each camper, including their likes and dislikes, and make them feel welcome and accepted
- ❖ Serve as a positive role model for youth and display maturity, responsibility, flexibility, and sound judgment
- ❖ Oversee participants safety, medication administration, and dietary preferences.
- ❖ Safely transport students in 15 passenger vans
- ❖ Conduct ongoing supply and equipment inventory
- ❖ Clean, organize, and help prep camp facilities and vehicles at the end of each camp session
- ❖ Communicate with campers and their parents; be available to answer questions
- ❖ Practice open communication with your team and address any issues immediately
- ❖ Provide positive feedback and constructive criticism to co-workers when necessary
- ❖ Follow proper Emergency Procedures when necessary
- ❖ Clearly understand company goals, out high safety standards, and mission and continuously work to promote the organization and achieve its goals
- ❖ Be knowledgeable of Surf Camp, Inc. as a company, as well as our diversity of programs

Compensation

We offer industry-standard compensation commensurate with experience, and the inclusion of pro-deal opportunities. In addition, the compensation package will include accommodations and meals during the summer program, valued at an additional \$2,000. On-site training on our specific expectations, policies, and procedures will be provided.

Position Duration

Programs run from early June – early August on Topsail Island, NC. Candidates would need to attend mandatory staff training in the beginning of June.

About Sea Turtle Camp:

Sea Turtle Camp was created to immerse youth in the field of marine biology and empower them to be proactive and take ownership of their environment; we develop focused, responsible, independent individuals who know how to have fun while being stewards of the ocean. While we can't solve all the world's problems, we know that one person can make a difference, and a camp full of eager knowledge-hungry youth can make a huge difference.

One of our goals is to share our passion for life and teach young adults how to mold that into a selfless, hard working, team of individuals that can recognize problems and work towards solving them. Through our grass roots approach, we strive to show youth a wide variety of possibilities at a time in their life when they have many potential roads to follow. In so doing they will learn about the rewards of selfless giving in their community, gain exposure to other cultures, and experience different career paths.
